MAJOR NEEDS

INFRASTRUCTURE DEVELOPMENT:

The most critical and immediate requirement is the funding and construction of permanent church facilities. This need is particularly urgent in Damak (Ward 4) and Sitapuri, Topgachhi, where current capacities are insufficient.

CONGREGATIONAL SUPPORT:

As attendance increases, ongoing logistical, pastoral, and financial support is necessary to sustain these growing communities and facilitate their local activities.

OUR CORE MESSAGE

The overarching narrative of this initiative is one of sustained momentum. The ministry is successfully expanding its reach across multiple municipalities, with steadily increasing attendance and newly forming groups. However, this encouraging growth brings us to a critical juncture: to ensure long-term stability and continued community impact, securing adequate infrastructure and structural support is now an absolute necessity.

A GRATITUDE

We are grateful for your continued prayers, encouragement, and faithful partnership in advancing God's Kingdom.

It is our joy to share with you an encouraging update from New Life Sinai Church, located in Shikharpani, Hetauda-15, Makwanpur District, Nepal.

God is working powerfully through the ministry of Amos and Apsara Tamang, who are faithfully serving alongside Mr. Prem Tamang. Through their dedication, the church has grown to more than 60 active members, along with over 20 children participating in Sunday School. Lives are being transformed, and the Gospel is reaching both individuals and families in the community.

“

Let us not grow weary
in doing good, for in
due season we will reap,
if we do not give up.

A NEW PLACE TO WORSHIP

By God's grace, the church has recently constructed a new worship hall with a seating capacity of over 200 people.

This milestone is a testimony of God's provision and the sacrificial commitment of the local believers.

However, the project is not yet fully complete, and several essential needs remain.

Unless the Lord builds the house, the builders labor in vain.

HELP US COMPLETE THE MISSION

At this stage, the church is prayerfully seeking support for the completion of Sunday School classrooms, flooring of the worship hall, and development of the church compound. In addition, there is an urgent need for basic ministry items such as a pulpit, sound system, and carpet for the worship space.

“

Every good gift and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change

greatest of these
is love.

AMIT K. MOKTAN & PADAM THING

SERVING UDDHAR CHURCH
ECC GRADUATES

The foundation of a strong, enduring ministry often begins with a deep and rigorous education in faith. For Amit K. Moktan and Padam Thing, that vital foundation was established at Evangelical Christian College (ECC). As proud graduates of ECC, both Amit and Padam have taken the theological wisdom and spiritual discipline they cultivated during their studies and transformed them into a vibrant, living ministry.

Today, they are essential pillars of Uddhar Church, dedicating their time and energy to serving the congregation. However, their mission extends far beyond the church doors. Driven by a shared, unwavering commitment to their calling, both men are actively spreading the Word of God throughout their respective local areas. Whether it is through dedicated community outreach, leading local fellowship groups, or sharing their personal testimonies, Amit and Padam are powerful examples of faith in action. Their ongoing work continues to nurture spiritual growth, bringing hope, guidance, and the teachings of Christ to the neighborhoods they serve.

OUR CURRENT CHALLENGES

THE NEED FOR A NEW CHURCH BUILDING

By the grace of God, the congregation at Uddhar Church is growing in faith and spirit. However, as our spiritual family expands, we are facing severe physical challenges that hinder our ability to gather safely and comfortably. We are in urgent need of a new church building.

Currently, our meeting space is drastically undersized, holding a maximum of only 30 people. As more believers come to hear the Word of God, many are forced to gather outside, leaving them without a roof over their heads during our fellowship.

This lack of space becomes a critical hardship during the rainy season. Because of the poor infrastructure of our current location, the entire room regularly floods when it rains. Our members, many of whom travel significant distances to worship, find themselves exposed to the harsh weather, worshipping in standing water or out in the heavy rain.

We believe that every member of our congregation deserves a safe, dry, and welcoming place to praise God. A new church building is no longer just a desire; it is a critical necessity. We are praying for a permanent structure large enough to house our growing church family and secure enough to protect our congregation from the floods and heavy rains.

Unless the Lord builds the house, the builders labor in vain.

Psalms 127:1

THE IMPACT OF A NEW SANCTUARY

WHY BUILDING MATTERS

Constructing a new building for Uddhar Church is about much more than just expanding our walls; it is an investment in the spiritual and physical well-being of our entire community. A dedicated, purpose-built sanctuary will provide several transformative benefits:

1

A SAFE HAVEN DURING NATURAL DISASTERS

Nepal is prone to harsh monsoons and seismic activity. A newly constructed, structurally sound building will provide our congregation with a critical safe haven, ensuring believers are protected and secure from floods and earthquakes while they gather.

2

UNHINDERED AND SMOOTH WORSHIP

Currently, our space is heavily congested, leading to distractions and physical discomfort that disrupt our fellowship. A larger building will alleviate this overcrowding, allowing our growing congregation to worship God smoothly, joyfully, and comfortably under one roof.

3

A HUB FOR TRAINING AND EMPOWERMENT

A church is called to equip its people. With adequate space, Uddhar Church will finally have the capacity to host essential training sessions, youth workshops, and community empowerment programs. By fully equipping our congregation, this new facility will act as a launching pad to train and send out capable leaders, spreading them across the local area to actively share the Gospel and expand our evangelism efforts.

And on this rock I will build my church, and the gates of Hades will not overcome it.

Matthew 16:18

GOD'S PROVISION: THE LAND IS READY

Even in the midst of these challenges, God is already paving the way for our future. We are overjoyed to share that the foundation for our new home is already secured. In a beautiful act of faith and extreme generosity, a devoted church member offered a piece of land as a donation to the Lord's work.

This dedicated plot measures exactly **1 KATTHA** (approximately 338.63 square meters). With this land fully secured and ready for development, we have the perfect canvas to build a permanent, safe, and welcoming sanctuary. Because this major hurdle has been cleared, every contribution we receive moving forward can go directly toward the physical construction of the building."

The land is ready, We need your prayer and support to build together in FAITH.

PRAYER REQUEST:

STRENGTHENING THE MISSION IN MID-SOUTHERN NEPAL

Dear Brothers and Sisters in Christ,

We invite you to join us in focused prayer as we seek God's guidance and provision for the growth of His kingdom in Nepal. Please keep the following needs in your hearts and prayers:

PROVISION FOR THE NEW CHURCH BUILDING

We are stepping out in faith to establish a permanent place of worship. Please pray for the allocation of the necessary budget and resources required for the construction. We **trust that the Lord** will open doors with donors and provide the financial breakthrough needed to complete this sanctuary for His glory.

STRENGTH AND HEALTH FOR BROTHER AMIT AND BROTHER PADAM

Our brothers are dedicated to the frontlines of ministry, traveling extensively. Pray for supernatural strength and sound health for Brother Amit and Brother Padam. As they navigate the challenging terrains of mid-southern Nepal, pray for their protection, endurance, and that they would remain spiritually refreshed as they reach out to remote regions.

SPIRITUAL HARVEST AND GROWTH

The ultimate mission is the transformation of lives through the Gospel. Pray that more believers be added to the House of God daily. We ask for a "Book of Acts" outpouring, where hearts are softened, souls are saved, and the local church community grows in both number and spiritual maturity.

Thank you for standing with us in faith. Your prayers are the backbone of this ministry.

"And my God will meet all your needs according to the riches of his glory in Christ Jesus."

Philippians 4:19
